I am providing response comments related to the following application (choose one): **KwiKom Communications - Greenwood**

I am responding to concerns this project: **Proposes to serve an area that already has service**

Please provide your response to the public comments received in the text box below. **KwiKom is specifically proposing to cover rural parts of Greenwood county that in most cases have no options for quality, reliable, Internet service. Piedmont and Severy are within the fixed wireless coverage predictions of our points of presence but are not the target audience of this grant and are not included in the 300 structures in KwiKom's proposal. To deny service to the vast rural area KwiKom proposes to service because a structure available for lease happens to be in proximity to a city would be short sighted.**

Please provide supporting documents relative to your comments. Please submit multiple files as a ZIP file.
